Note

* Text inside square brackets [] are placeholders to be filled in by you
* Text inside parentheses () is just for your information — you don't have to include it in your submission
* The submission **should not exceed 6 pages**

- Add image(s) for Task 1 here: picture or digital image of the documents that have a bad visual design. Give each image a unique name.
- Annotate (e.g., using circles) the parts of the interface you refer to later in the assignment. Use capital alphabets (A, B, C, etc.) as reference. (See below.)
- Note: You can use **up to four pages** to add this information and for answering task 1.

[Name]
(e.g., Jim's business card)

Task 1

Violations of Visual Design Principles
#1: [Name of the principle.] [A short description of how it is violated.] [A short explanation of why the violation makes the design bad.]

Task 2: Resume

[Include an image of the redesign here and annotate the changes you have made here.]

[Describe the changes you have made by referring to the annotations here.]

Task 2: Party Flyer

[Include an image of the redesign here and annotate the changes you have made here.]

[Describe the changes you have made by referring to the annotations here.]
